CURRENT \$12.87

Increase to: \$14.79

Sewer Base

New Base Fees by User Type:

High:	\$70.00/month
Low:	\$57.25

Sewer Surcharge per 1,000 gallons of water used:

BOD Loading:

Increased 10% for one year

High (Industrial - Manufacturing, brewing)	\$10.35
Medium (Multiple toilets, commercial kitchen or laundry)	\$5.80
Low (Residential, Office, Warehouse, single facility):	\$5.57

*Last sewer rate change July 2017

City of Tillamook changed their rate categories - Port is now considered in the Industrial/Commercial rate, which reduced what we pay to the City.

Note: POTB is still analyzing to self-supply water, as well as exploring a regional water system with other districts
